Computer Science Undergraduate

Motivated Computer Science student with experience in full-stack development, database management, and web design. Strong foundation in object-oriented programming and system design. Enthusiastic about learning new concepts and applying skills to solve real-world challenges through software design.

Technical Skills

- **Programming Languages:** C++, CSS, HTML, JavaScript, Python
- **Development Tools:** Git, GitHub, PyCharm, SQLite, VS Code
- **Operating Systems:** Linux, Windows
- **Frameworks & Applications:** CAD, Django, MS Excel, MS Word

Education

August 2022 - Expected December 2025
Roberts Wesleyan University - Rochester, NY
B.S. Computer Science
September 2009 - June 2022
The Charles Finney School - Rochester, NY
High School Diploma

Experience

Leaf & Bean - Barista (*August 2023 - Present*)

- Memorization
- Repeated tasks with consistency
- Multitasking
- Team oriented environment
- Adaptability to customer's needs

Projects & Accomplishments

- **Computer Science Tutor** at Roberts Wesleyan University for Web Development, Object Oriented Programming, and Introduction to Computer Science
- **FIRST Robotics Team Member** during middle and high school
- Portfolio of Completed Projects (available upon request):
 - Developed **Django-based web applications** with authentication and database integration
 - Implemented **data structure projects** using Python and C++
 - **Designed and deployed a website** for a Web Development class
- **Extracurricular Work:** Take on additional work beyond the standard course load
